

With online bill payment there is no need to spend endless minutes waiting on the phone, or even walking to the mailbox. First Bank of Utica can save you valuable time and money!

**Bill Pay Features:**

- eBills, which allows users to link their accounts with retailers (Verizon, Discover, Citi...etc.) to their Bill Pay account. There are currently over 12,000 retailers using this site and this number is growing all the time.
- Picture Pay, which allows customers to take pictures of their bills and the payee information will be input from the picture so no manual entry would be needed.
- Account to Account transactions, which allows customers with accounts at multiple banks to make transfers between them with Bill Pay.
- Person to Person payments, which allows customers to make payments to non-customers with their routing number and account information or debit card information.
- BizPay, which allows businesses to do payroll transactions from our Bill Pay site.
- Portal Pay, which allows loan-only customers to make payments to their loans using a debit card or routing number and account information.
